

Agreement to Receive SCADA Alert Text Messages

By providing your mobile number, you agree that Aspenleaf Energy (ALE) will send you periodic SMS messages associated with the SCADA Alert system.

- Messages received will depend on the number of alerts generated by the SCADA system and will be variable each day.
- You may also unsubscribe at any time by texting the word STOP to (206) 761-7316. You may receive a subsequent message confirming your opt-out request.
- For help, send the word HELP to (206) 761-7316.
- Message and data rates may apply.
- Canadian Carriers Include Telus, Bell, Rogers, Fido and others.
- You agree to notify us of any changes to your mobile number and carrier information so we may accurately maintain your internal SCADA account.
- Data obtained from you in connection with this SMS service may include your cell phone number, your carrier's name, and the date, time and content of your messages, as well as other information that you provide. ALE will only use this information for the purposes of SCADA Alert messaging. No mobile information will be shared or sold with third parties/affiliates for marketing/promotional purposes. All the above categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties.
- ALE has the right to change and/or terminate the service at any time, with or without cause and/or advance notice.

If you have any questions, please contact ALE at 403.262.0321

Will I be charged for the text messages I receive?

ALE does not charge you for the text messages you receive, depending on your phone plan, you may see some charges from your mobile provider. Please reach out to your wireless provider if you have questions about your text or data plan.
